

Unveiling the strategic cybersecurity chess game at Cybersec Europe 2024

If you delve into Ivana Butorac's keynote address at the upcoming Cybersec Europe 2024, you will learn more about strategically outmaneuvering your adversary in the cyber realm. Butorac, renowned as Sopra Steria's EU Compliance manager, brings forth a profound understanding of cybersecurity compliance. Join her while she offers invaluable insights to navigate and triumph in the cyber game.

Because let's face it: have you ever thought about the strategic maneuvers necessary for achieving cyber checkmate? Butorac will delve into precisely this, unveiling the secrets crucial for cybersecurity success. She will decode the dynamics of compliance within the cybersecurity chess game, demonstrating that compliance isn't merely an obstacle but a vital component for constructing robust cybersecurity solutions.

“In today's digital age, compliance isn't a hurdle; it's a strategic asset,” says Butorac. “During my keynote I will help you understand that if AI is the king, compliance is your checkmate move.”

Sopra Steria: gain insights into the latest trends

Sopra Steria is the worldwide leading digital transformation partner empowering organizations with innovative solutions and strategic insights to navigate the complexities of today's business landscape.

At Sopra Steria's booth visitors can enjoy a nice cocktail while gaining insights into the latest trends shaping cybersecurity strategies: from post-quantum cryptography to AI and ML integration.
